The above-captioned matter is set on March 14, 2014 before the Hon. Jon S. Tigar for SETTING hearing. The parties jointly request and stipulate that the Court continue the matter to April 18, 2014 at 9:30 a.m. for TRIAL SETTING hearing. The parties agree and stipulate that the time until April 18, 2014 should be excluded, under 18 U.S.C. §3161(H)(7)(A) and (B) because the ends of justice served by the granting of the continuance outweigh the best interests of the public and the defendant in a speedy and public trial.

The continuance is necessary because the government is reviewing lengthy audiotape evidence provided in discovery and highlighted by the defense that bear on the defendant's role in the charged offense. The defense also continues to research and investigate this case, and the results of a genetic and fingerprinting examination of the firearm used in the charged offense are still pending.

9 **ORDER**

10 Based on the reasons provided in the stipulation of the parties above,

11 IT IS HEREBY ORDERED that the SETTING hearing in this case be continued to
12 April 18, 2014 at 9:30 a.m. before the Hon. Jon S. Tigar. The court finds that the ongoing
13 research and investigation of both counsel justify an exclusion of time under the Speedy Trial
14 Act until April 18, 2014.
